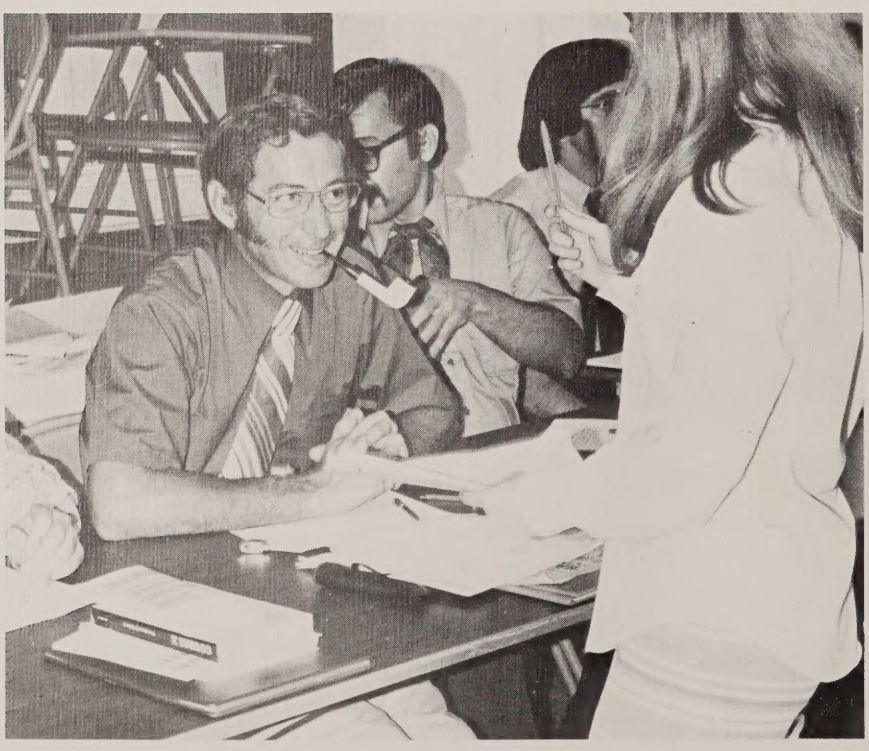
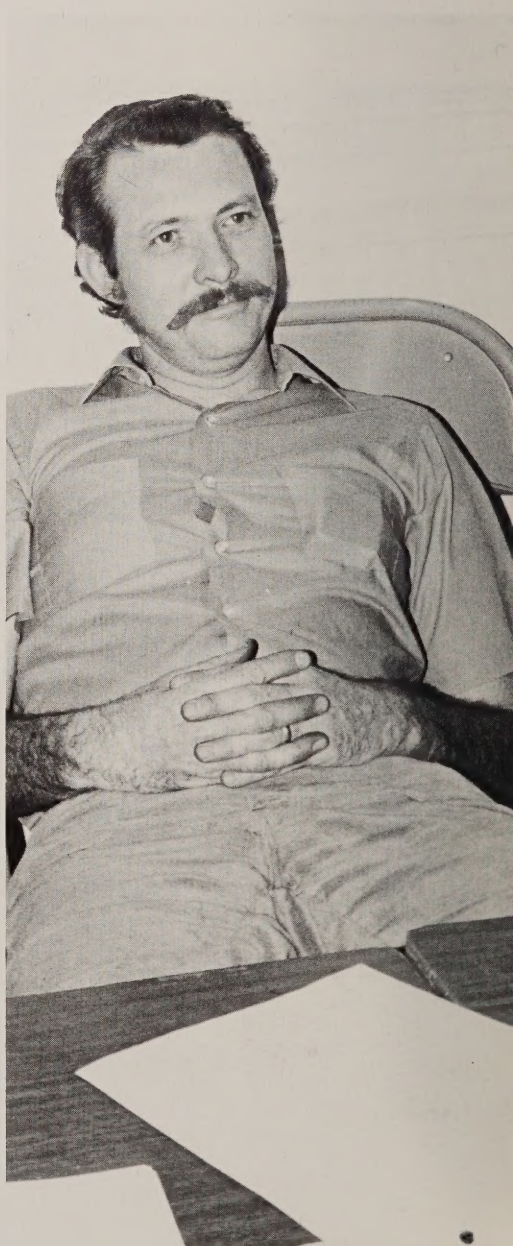
"We should so live and labor in our time that what came to us as seed may go to the next generation as blossom and what came to us as blossom may go to them as fruit. This is what we mean by progress."

H. W. Beecher





The success of Virginia Intermont's transition depends upon the will and ability of the administration, faculty and students to work together. Change has made students of us all.

We, who were instrumental in the change of Virginia Intermont into a four-year college, sincerely hope that progress will not end here. May V.I. continually change and grow and may we always remain her students.

Administration

Dr. Floyd V. Turner, President

Where my imaginary line
Bends square in woods, an iron spine
And pile of real rocks have been founded . . .
Thus truth's established and borne out,
Though circumstanced with dark and doubt —
Though by a world of doubt surrounded.

from "Beeches" by Robert Frost

Dear Graduating Senior:

It is exciting indeed to have the privilege of writing a message to you as a member of the first baccalaureate degree graduating class of Virginia Intermont. The program which you have completed and of which you have been an integral part is the culmination of many years of planning. To you, and to those who will follow you, we sincerely dedicate the future of Virginia Intermont.

My very personal best wishes go with you and may we always keep in touch with one another.

Floyd V. Turner

Bob Roberts, Superintendent of Plant

Bob Roberts has been "saying it with flowers" since he came here 30 years ago. He has also showed his love for Virginia Intermont and its students by answering hundreds of frantic pleas for help, by keeping the college plant in good running order, and by decorating for innumerable dances and banquets.

All who see him lavish countless hours and a great deal of his own money on thousands upon thousands of flowers sense his devotion, however hard he may try to conceal it.

On behalf of thousands of grateful VI students, the 1972 INTERMONT says "THANK YOU" to Bob Roberts.

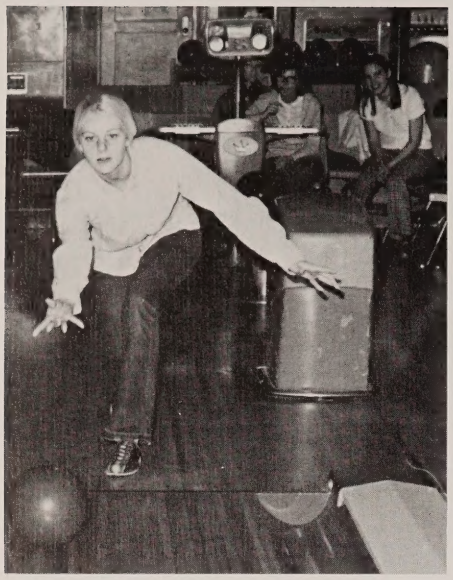
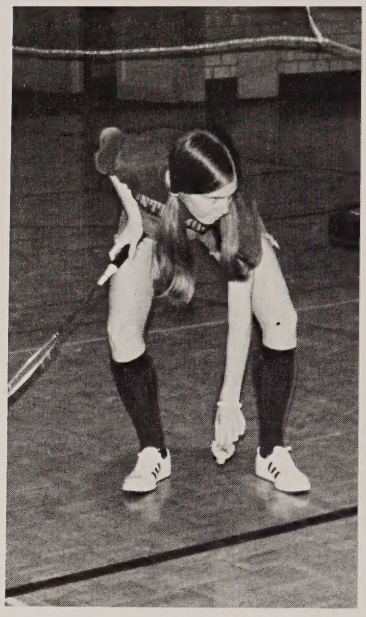
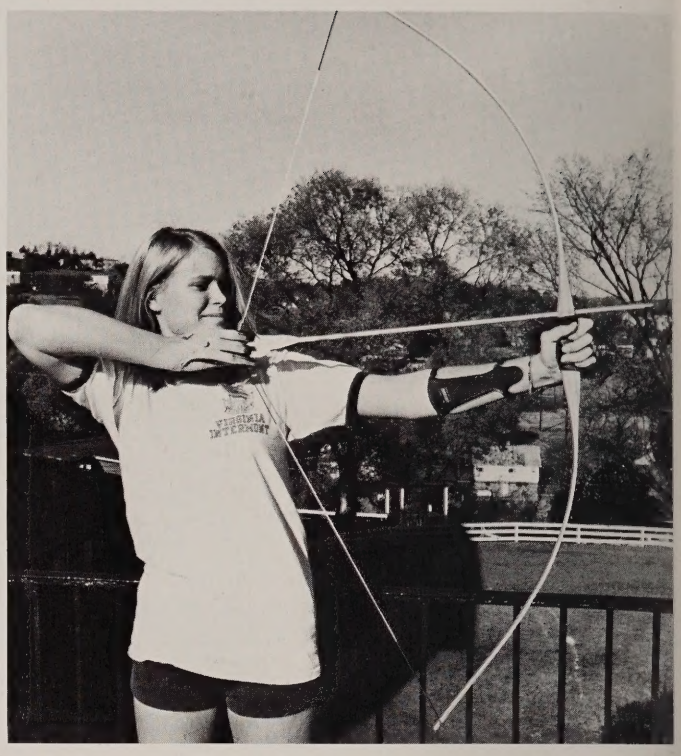
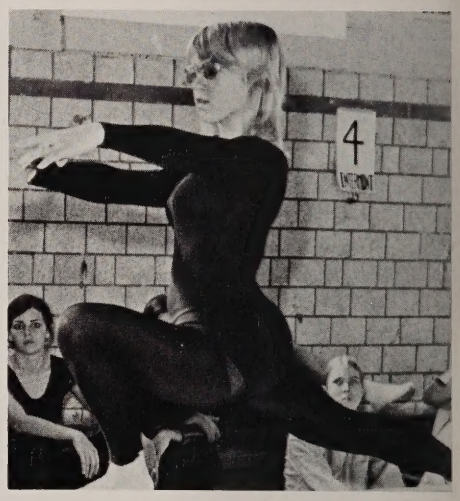
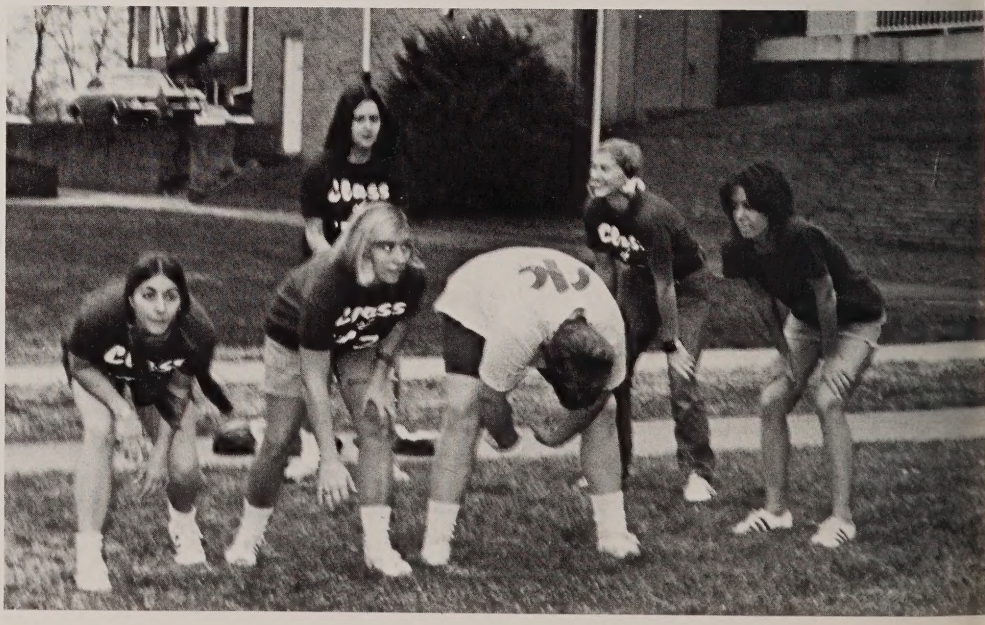
Intramurals

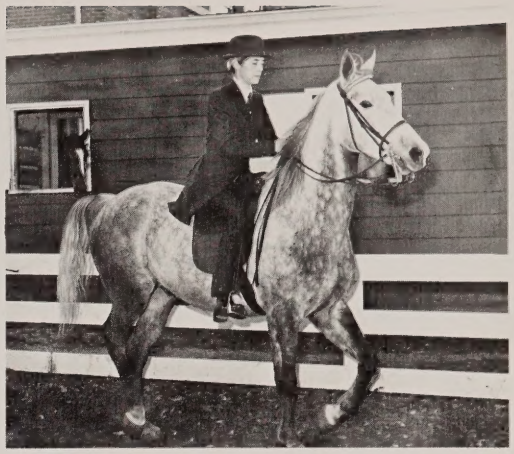












Intramural Program

The transition of Virginia Intermont into a four year school has effected a change of competition in the intramural program. Rather than dorm competing with dorm, classes challenge each other. Practices are set up so that the girls learn to function as a team. After two or three practices, the tournament begins.

"Sports"

In the battle that goes through life, we ask for a field that is fair,
A chance that is equal in all our strife, the courage to do and to dare.
If we should win, let it be by the code with our honor held high.
And if we should lose, let us stand by the road and cheer as the winners go by.
